

Mies, December 2018

- To whom it may concern –

Definition of In-Competition testing period for the calendar year 2019

In accordance with the IWBF Internal Regulations governing Anti-Doping, the In-Competition testing period shall be defined as follows:

“In-Competition testing shall apply and is defined as any doping control which the player is notified from 12 hours prior to an official game through to and including 4 hours after the game.”

The above definition shall apply to Club and National Team competitions throughout the calendar year 2019.
