Improved grip performance

Foam concentration increased by 35% and EVA foam backing layer has been newly applied, making the ball softer and easier to control.

Internal structure of the BG5000

Authentic texture

BG5000 takes full advantage of the natural leather properties to ensure better texture. All lettering design on the BG5000 is branded into the ball to offer an authentic look to the natural leather basketball.

Branded

The BG5000 leather basketball can be used when brand new in both practice and games.
